WHAT TO EXPECT?

Chosen to add a touch of organic-inspired elegance, realistic faux shagreen's appearance can vary due to the stamp application. While seaming is common, minor cracks may occur at the joints, and minor flaking can appear over time, this material is a favorite in our selection for the charm it brings each piece. Keep in mind that pieces made with this material are best for indoor use, as excessive moisture can cause cracking and lifting. The color can also vary from piece to piece depending on the dye lot, and changes in light and the environment can impact how the color is perceived. To confirm the shade is the best fit for your project, we recommend ordering a sample of the finish prior to finalizing your order.

Our mirrors are designed to be hung by a professional, usually by wire. Actual hanging specifics vary on a case by case basis and depend on several variables, including the mirror weight and wall type. Incorrect hanging can result in damage to the mirror or the wall. Made Goods is not responsible for damage due to incorrect hanging of our pieces.
